Date: December 8th 11am

Member Cost: Free

Non-Member Cost: \$50.00

To Register visit: www.oiaa.com today!

Dave started with Golden Horseshoe Appraisals in 1994 after completing his post-secondary studies. He started as an auto appraiser serving the Hamilton, Toronto and Niagara area. A few years later, he became an appraiser supervisor and starting handling specialty appraisals pertaining to garage liability for a multi-national company. In 2002 he was promoted to APD Manager and was overlooking all appraisal work completed by the company, completing file audits, conducting weekly training meetings and recruiting/training new appraisers. In 2008, Dave was promoted to Vice President of the company and in addition to these duties, he also handles heavy truck and bus appraisals. He has a strong interest in aviation and anything with wheels, wings and an engine!
